

Back 40 What to know...

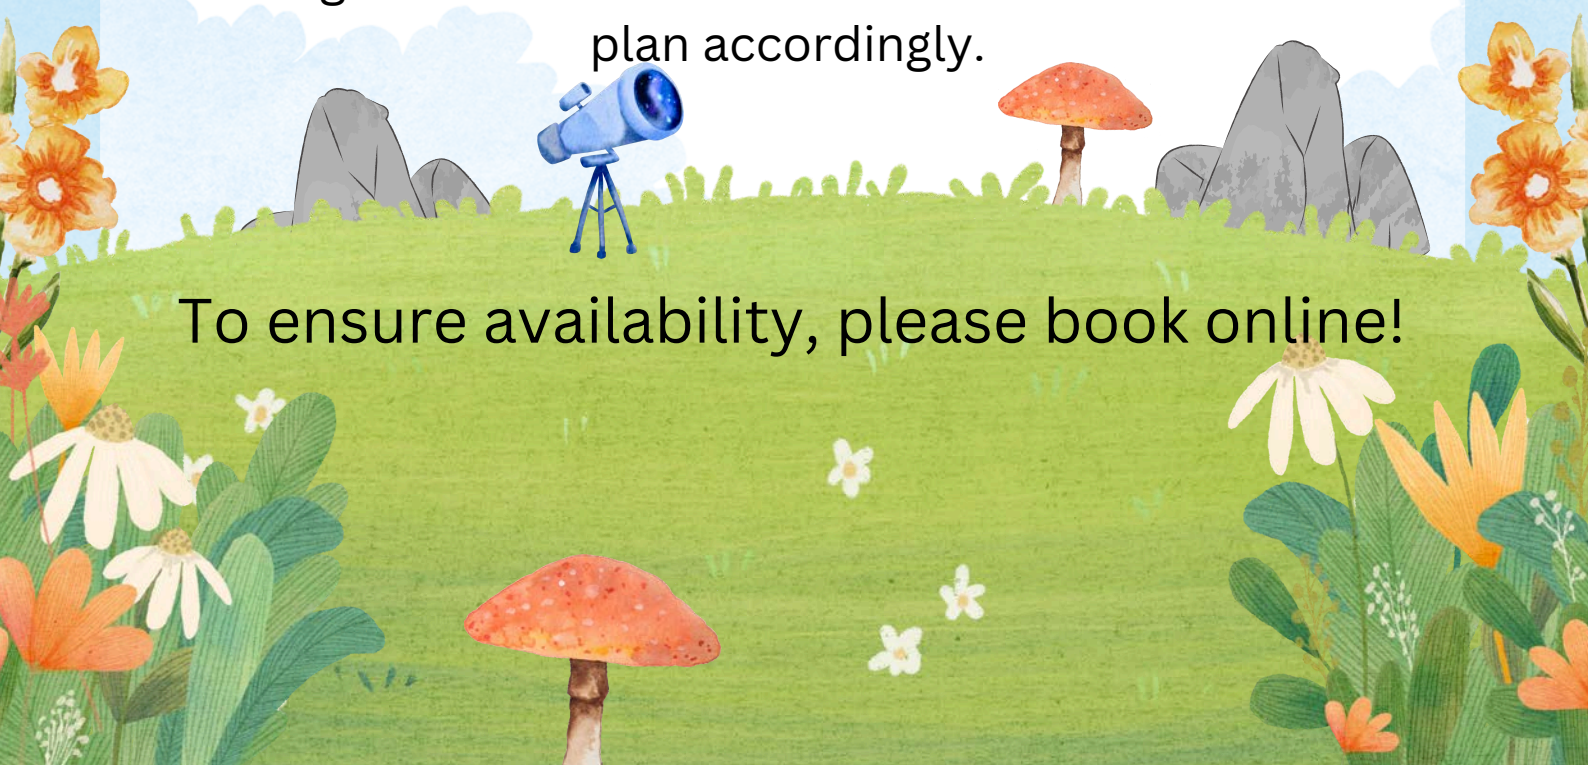

BEFORE YOU GO

The Summerhill experience is perfect for those planning in advance or if you only have time to swing in! Before you arrive, keep in mind a few important things:

Our team is committed to providing you with a first-class experience in outdoor adventure. If anyone in your group needs special assistance, please let one of our team members know. We are here to help.

Be prepared: weather can be unpredictable in northern Minnesota. We encourage you to plan accordingly. Bugs can still be a nuisance at times but are typically not bad.

We are in the early stages of development at the Back 40. Some amenities that we do not offer yet include access to drinking water. Porta Johns are available onsite. Please plan accordingly.

To ensure availability, please book online!
